Charlie Stumpff finished his career with 877 total wins and a .639 winning percentage. He is the 11th most winning high school baseball coach ever in the state of Iowa and amassed the most wins in Mississippi Valley Conference history during his tenure. He's been named coach of the year seven times and is in the IHSBCA Hall of Fame.

With 12 state tournament appearances under his belt, (five of which resulted in title games) Charlie has the fifth most appearances by a coach in Iowa history. The eleven times he led Iowa City West High to state during his 32 years with the program-- puts the school in the top thirty for most appearances by any school in Iowa state history. He's coached more than thirty players to accomplish first team all state recognition and over fifty achieved first team all conference honors.

The Iowa City West High baseball field transformed into one of the best in the conference over the past three decades due to him-- which is evident with the amount of sub state games we have hosted over the years. The press box was fundraised for and constructed-- as was the West High Hitting Building; which was the first of its kind in the district (and conference).

Finally, the culture he has created over his tenure is undeniable. The feeder program, Trojans, is thriving and came about during his time at West.
